

Privacy Policy

Effective date: 20th February 2026

IP NOTE COIN (“IPNC”, “we”, “us”, or “our”) operates the website <https://ipnotecoin.org> and the decentralized application available at <https://ipnotecoin.app> (collectively referred to as the “Services”).

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Services and the choices you have associated with that data.

IPNC is committed to protecting your privacy and handling personal data in accordance with applicable data protection laws and regulations.

Types of Data Collected

Personal Data

While using our Services, we may ask you to provide certain personally identifiable information that can be used to contact or identify you (“Personal Data”).

Personally identifiable information may include, but is not limited to:

- Name
- Email address
- Wallet address
- Communication preferences

We collect personal data only where necessary and in a lawful manner.

Usage Data

We may collect information on how the website and DApp are accessed and used (“Usage Data”).

This Usage Data may include:

- Internet Protocol (IP) address
 - Browser type and version
 - Pages visited
 - Time and date of visit
 - Time spent on pages
 - Device identifiers
 - Diagnostic data
-

Tracking & Cookies Data

We use cookies and similar tracking technologies to monitor activity on our website and store certain information.

Cookies are small data files that may include an anonymous unique identifier. They are sent to your browser and stored on your device.

Tracking technologies may include:

- Cookies
- Beacons
- Tags
- Scripts

You can instruct your browser to refuse all cookies or indicate when a cookie is being sent. However, some parts of the website may not function properly without cookies.

Examples include:

- **Session Cookies:** To operate and maintain the website.
 - **Preference Cookies:** To remember settings and preferences.
 - **Security Cookies:** To enhance security and protect user interactions.
-

Use of Data

IPNC uses collected data to:

- Provide and maintain the website and DApp
 - Enable participation in platform features
 - Improve performance and user experience
 - Monitor usage and detect technical issues
 - Protect against fraud and misuse
 - Comply with applicable legal obligations
-

Blockchain Transparency

Due to the nature of blockchain technology, transactions made through IPNC are recorded on a public blockchain. Wallet addresses and transaction data may be publicly accessible and cannot be modified or deleted.

IPNC does not control the underlying blockchain network and cannot alter on-chain data.

Security of Data

We implement commercially reasonable safeguards designed to protect Personal Data. However, no method of transmission over the Internet or method of electronic storage is 100% secure, and we cannot guarantee absolute security.

Service Providers

We may use third-party service providers to assist in operating our Services, including hosting, analytics, and security services. These providers may access Personal Data solely to perform services on our behalf and are obligated not to use or disclose it for other purposes.

Google Analytics

We may use Google Analytics to analyze website traffic and usage patterns.
